WINE IMPORTERS

Story of the wine:

Within the San José de Puquillay estate, in the Colchagua Valley, is the farmhouse of Don Luis Felipe Edwards, founder of the vineyard. Often he is seen touring the fields and plantations, always greeting each collaborator he meets on his way. This is why they call him “Don Feli”, in a close and respectful way, giving rise to the name of this family of wines. With more than 40 years of meticulous work, they focus day to day on quality production with the best technology, in compliance with the highest international standards, and the goal of delivering a memorable experience with every bottle of LFE wine. The history of Viña Luis Felipe Edwards dates back to 1976, when Luis Felipe Edwards Sr. purchased the Fundo San José de Puquillay estate, located in the Colchagua Valley, a premier viticultural region in Chile. Viña Luis Felipe Edwards has since grown to be the largest 100% family-owned wine company in Chile, with 1850 hectares of estate vineyards and is exported to more than 90 countries.

Varietals:

100% Semillon on its own roots

Area:

Cachapoal Valley

Av. age of the vines:

30 years

Ageing:

This wine was skin-fermented for 90 days in temperature-controlled stainless steel with native yeasts, enhancing its unique character. Gentle pump-overs every 4 days kept the cap wet and prevented contamination. After fermentation, the wine was naturally decanted and bottled without filtration, preserving its purity and complexity.

Descriptions for Wine List:

This wine displays a pale golden-yellow colour. Its nose is full and intense, revealing notes of white fruit complemented by floral and spicy touches. On the palate, it offers juicy, refreshing acidity with good persistence and subtle tannins, a result of its unique elaboration method.
